

## **Book Character Challenge!**

Dear Parents, Carers and children,

Are you ready for a challenge?

We are missing you all terribly and wanted to think of an activity that you could do as a family on your daily walks.

The staff are hiding 20 clue cards around school and in the local community. Each clue card describes a book character. Some of the characters are from books that the children have focussed on in learning time; story times or they are staff favourites.

Can you solve the clues to identify the characters? Each card is numbered and the answers will be revealed on twitter @BHHInfant on Monday 29th June.

The clues will be ready to follow on Thursday 11th June. There is a checklist attached if you want to use it or you could create your own.

Good luck and stay safe everyone.
