

Year 2 Homework

10.5.19

Dear Parents,

We've combined our English and PSHE this week. In PSHE we have been learning about how to solve conflicts in friendship groups. As part of this learning, we read the story 'On Sudden Hill' by Linda Sarah, which is about a friendship of two becoming three with one child feeling left out. After exploring the concept of persuasion we looked at the features of a letter and created our writer's toolkit in preparation for writing our own letters to try and persuade Birt to come back to the group.

In Maths, we have briefly returned back to learning about shape with a focus on vertical symmetry. Using mirrors we investigated different shapes and objects.

All children who were in this week have now completed their two maths 'quizzes' in small groups.

Thank you for your continued support,

Miss Murphy, Mrs Fitzgerald and Miss Williams

Activities:

Using your child's reading book (Bug Club or a book from home) pick out interesting words/phrases from the text and talk about them e.g. trudged, kerfuffle, grubby, beamed, I was hooked, he has got a bright future.

Maths: Practise telling the time on an analogue clock. You might like to play this game (Level 1 or 2)
