

Foundation 2 Homework

5.02.20

This week we have continued to learn about the story of The Gingerbread Man. We have been retelling the story in our own words using actions for each character and event in the story (ask your child to show you some of our actions).

We have been busy working on our independent writing skills, remembering to use the features in our writer's toolkit.

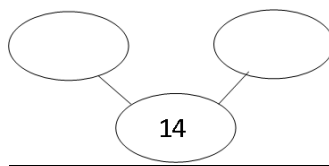

In Letters and Sounds we have learnt the tricky words **are** and **all** and we have learnt the digraph **oa** as in **goat**. We have been reading and writing words and sentences using oa words e.g. goal, boat, soap.

In maths we have been learning about the number 14. We have counted 14 objects, made 14 using two pieces of numicon, made 14 using cubes and counters on ten frames and bobble heads.

Our PE day is on a Wednesday each week. Please ensure your child has a named PE kit in school.

Activities

- Can you draw a bobble head in your book and show a way of making 14?

- Please read your online book on Activelearn
