

Year 2 Homework 19th November 2021

Dear Parents and Carers,

The children really enjoyed the Indian Dancing on Tuesday. Look out for some photos on Twitter.

This week in English, we have written our own setting narrative based on the book *The Night Gardener*. We have planned and written our narrative and have included a variety of similes to describe the sky, moon, stars, objects close to us and the 'Cat Tree'.

In Maths, we've been learning to subtract using two 2-digit numbers, crossing ten Eg. $37 - 18$. Much like last week, we've used ten frames with base 10, exchanging tens into ones and have also shown how to calculate using different images.

In our History this week the children have ordered the significant people that we have been learning about from most significant to least significant. The explanations for the children's choices have been amazing, they are well thought out and very articulate.

Thank you for your support Miss Murphy and Mrs Astbury

Activities

1. Reading: Read your Active Learn Bug Club book.
2. English: Synonym Chat Challenge! (We can use these in our writing next week.)

How many synonyms can you think of for the following words?

Lonely

Dark

Majestic

3. Maths: Can you solve the following problems? $37 - 28 =$, $56 - 47 =$, $83 - 49 =$

Record the number sentences using the column method. Can you use an image to support your calculation? Remember you will need to exchange one of the tens for 10 ones before you solve the calculation!

	T	O
	3	12
-	4	3
	3	9
