

Foundation 2 Homework 6.3.20

This week has been very exciting in F2. On Tuesday we had great fun wearing our pyjamas, sharing our favourite stories and eating croissants and brioche together. On Thursday we celebrated World Book Day by dressing up as a character from a book. We took part in a character parade with the rest of the school and talked with our friends about who we were dressed up as and what book our character is from. The photos of Literacy Week should be on Tapestry for you to enjoy.

In Literacy we have made story maps for the Three Little Pigs. These helped us to write our own stories. In letters and sounds we have learnt the new digraph *ar* as in farm.

In Maths we have been learning about number bonds to 10. We have used numicon and other concrete resources to find pairs of numbers that total 10. We have also been drawing images such as bobble heads (part-part-whole model) to show number bonds to 10.

Activities For Home

- **Can you practise writing words with the digraph *ar*? Can you write them somewhere fun? e.g. in flour or in the mud in the garden? If you are able please put a photo on Tapestry of your writing.**
- **Log onto Mathletics and have a go at the Model Addition activity.** (We have re-sent home your log in details in case you have trouble finding them!)

Thank you for your support

Mrs Bancroft and Mrs Lucan.
