

Foundation 2 Homework 22.11.19

This week we have been celebrating the festival of Diwali. We have all really enjoyed learning all about Diwali and how different families celebrate festivals.

We have turned our role play area into a house to celebrate Diwali. We cleaned the house to prepare for Diwali and cooking traditional Diwali sweets for the festival. We have made Rangoli patterns using pasta and gem stones.

In our Creative area we have been making candles and diya lamps to celebrate the festival of light. We have used pencils and chalks to create mehndi patterns onto hands. Some of us have created firework paintings using different techniques.

In Maths we have continued to practise writing numerals 0 to 10. We have been representing the number 10 using counters and money. We have learnt about time, focusing on the number 10 e.g 10 o'clock.

Activities

- 1. Please read your online Activelearn book.**
- 2. Practise writing numbers 0 – 10 using the correct formation. This can be written in Homework books or posted on Tapestry.**
- 3. To support our learning in Maths can you practise number bonds up to 10. Find 10 items and split them into 2 groups, e.g. 5 and 5, 6 and 4, 7 and 3.**

Mrs Lucan, Mrs Eccles and Mr Hall
