

Sport Grant expenditure 2017-2018

Number of pupils and PE Sports grant (PSG) received	
Total number of pupils on roll	209 children plus (29 in F1)
Total amount of grant received	Total £17,070

Objectives for P.E provision at Black Horse Hill Infant School
<ul style="list-style-type: none"> • To improve the provision of PE and sport within the school's curriculum for Physical Education. • To improve the quality of teaching and learning in PE and sport. • To improve staff knowledge and skills and to increasing confidence in teaching PE. • To increase pupil's participation in PE and sport and to develop pupils' understanding of the importance of having a healthy body and healthy mind. • To raise standards of achievement in PE and sport for all pupils. • To promote healthier and more active lifestyles through participation in competitions, sporting festivals, PE lessons and across the whole curriculum.

Sports Provision at Black Horse Hill Infant School
<p>All children have the opportunity to access high quality provision in Physical Development and Personal, Socials and Emotional Development.</p> <p>Our Early Years Foundation Stage (EYFS) places a high emphasis on physical development and children enjoy being active both inside, but more often in our outdoor learning environment. Children's physical development is monitored carefully and children are supported through exciting challenges as part of continuous provision, as well differentiated challenges as part of a P.E lesson.</p> <p>In KS1 children are taught Fundamental Movement Skills, Games, Gymnastics and Dance during their P.D lessons. Each P.E lesson lasts up to an hour. Our teachers are well trained, and all attend training to develop their knowledge and skills.</p> <p>As a staff we will support the introduction of a whole school planned programme of learning (Jigsaw scheme) developing each child's Personal, Social and Emotional Development. Each child will explore themes such as 'Being me in my world', 'Celebrating difference', 'Dreams and goals', 'Healthy me', 'Relationships' and 'Changing me'.</p> <p>During the Summer Term children at Black Horse Hill Infant School will take part in</p>

Sport's Day and explore ideas around healthy minds, food and exercise as part of 'Health Promoting Week'. Over the week we look forward to welcoming visiting sports coaches, exploring emotions, feelings and mental health and trying lots of new foods, as well as engaging parents and children in making healthy choices. During lunchtime all children from Foundation 2 to Year 2 have the opportunity to be active using equipment from our 'Craze of the Week' boxes. Children will also have the opportunity to take part in exciting challenges trying team sports and collaborative games supported by a sports coach.

At Black Horse Hill Infant School we believe children should have the opportunity to take part in competition not only against their peers, but challenging themselves to achieve their personal best. Our annual Sports Day allows children to challenge themselves whilst competing in teams and of course having lots of fun!

In addition to the sport we offer in curriculum time we also offer a range of before and after School Sports Clubs. These include tennis, Multi-skills, Cheerleading, Dance, Football, Judo and Gymnastics.

We offer different clubs at different times of the year. Pupil Premium funding pays for children who are eligible for free-school meals to attend after school sports clubs.

At Black Horse Hill we also provide a session for all Foundation 2 children which is aimed at teaching all children to ride their bikes. Children are actively encouraged to ride their bikes and scooters to school as part of a healthy lifestyle. They have access to bike stands on the school premises. Every year we are amazed at how many children are successful at learning to ride without their stabilisers!

How the Sport Grant will be used at Black Horse Hill Infant School (2017-2018)

Projected expenditure:

£300 – Will be used to fund subject leader time. This time will be used to support planning, lesson observations and support, organising activities and monitoring assessment and progress.

£1,000 To be spent on organising a whole 'Health promoting week' with the focus on how to stay 'Happy and Healthy!' Children will be engaged in a range of activities supporting healthy lifestyles, developing strategies for staying happy and supporting mental and physical health.

£700 To introduce a scheme called 'I.P.E.P' which will support staff with assessment and planning differentiated tasks using IT to monitor the development of PD within each year group. This will also include staff training with using this new resource.

£5,000 To employ a sports coach to support children in the Foundation Stage with being active in our outdoor area, and to promote physical challenges and team games in our main playground during lunch times.

£ 500 To be spent on equipment to support team games in our new sports zone in the main playground.

£500 To be spent on storage for new equipment in our 'Sports Zone'.

£800 To be spent on visiting coaches to inspire children to try a new sport.

£400 To provide co-coaching to support staff training in Gymnastics.

£12,000 To provide areas of fixed sports equipment in our main playground area e.g. a 'Fit Trail' developing agility, physical fitness and a range of sports skills.

Measuring the impact of the PE Sport Grant

Black Horse Hill Infant School will evaluate the impact on each pupil termly as part of their assessment and tracking procedures.

Evaluation will focus on academic gains and how pupils' self-confidence has developed as a consequence of the sporting provision.

We will also regularly seek the views of our pupils, staff and governors to identify any ways we can further improve our provision for sport at Black Horse Hill Infant School.

Our P.E subject leader provides a report to governors which focuses on the impact of the PE Sport Grant.
