We need your help !

Dear Parents/Carers,

As you may be aware, three times a year every school has to carry out a Census. One of the reports we have to prepare is based on how many children actually have a school meal on census day. This information is then used to calculate how much funding the school will receive in that particular area for the whole term.

I am writing to inform you that the first census for this academic year is next Thursday 4th October. I would really appreciate it if as many children as possible could have a school meal next Thursday, including those children who usually bring a packed lunch.

A text reminder will be sent out on Wednesday 3rd October.

Next week is Week 2 for lunches and the full menu can be found on the school website. As an alternative to Chicken/Quorn Fried Rice, children can have a jacket potato with cheese, baked beans or tuna mayo with fresh salad or there will also be a Deli Option with a selection of breads and fillings with salad (staff will be on hand to make up a sandwich or wrap as necessary).

If you do not wish your child to have a school dinner next Thursday, please return the reply slip below by Wednesday 3rd at the latest.

Thank you for your support in this matter.

Yours sincerely,

Julie Morris
Headteacher

Name of pupil Class

My child **will not** be having a school meal next Thursday 4th October.
