Dear Parent/Carer,

Due to new Government Regulations, school can access additional funding for children who have ceased to be looked after by a Local Authority in England and Wales because of; adoption, a special guardianship order, a child arrangements order or a residence order. If this does not apply to your family, please discard this letter.

If this does apply to your family and you choose to inform the school, please be assured that this information will be kept completely confidential and will not be discussed with anyone including your child.

This is a self-declaration court order, so you may not wish to inform us of this information; however, it may initiate additional funding of up to £2,300 to support your child's education as decided by the school.

Yours sincerely

Mrs J Morris
Headteacher
