

6th November 2019

Dear Children, Parents and Carers,

Friday 15th November is BBC Children in Need and we are going to be very busy with a whole week of fundraising enterprise – move over Lord Sugar! We want to raise as much money as we possibly can for Children in Need.

The Year 2 children will be baking cakes and biscuits for a sale on Friday 15th November after school. The sale will be in the hall. We would really appreciate any cake or biscuit donations either homemade or bought to supplement our stock. If you are able to contribute, please bring in any donations on Friday morning. The sale will start after all children have been sent out into the playground to their parents/carers. Children and parents/carers will then be able to re-enter the school building through the Year 1 door

Year 2 are also going to be working together in teams to create fairground type games for the children from F1, F2 and Year 1 to play in the school hall. Don't worry, the children in Year 2 will get a chance to play too! To enable the children to 'pay' for the games, please send your child in with £1.00 in loose change (ideally silver).

Please also help raise awareness by wearing something spotty on Friday.

We hope you will have fun.

Yours sincerely,
Year 2
