

PE Sport Grant (PSG) expenditure 2016-2017

Number of pupils and PE Sports grant (PSG) received	
Total number of pupils on roll	167 children plus (26 Part-time in F1)
Total amount of grant received	Total £8,495

Objectives for P.E provision at Black Horse Hill Infant School
<ul style="list-style-type: none"> • To improve the provision of PE and sport within the school's curriculum for Physical Education • To improve the quality of teaching and learning in PE and sport • To improve staff knowledge and skills and to increasing confidence in teaching PE. • To increase pupil's participation in PE and sport and to develop pupils' understanding of the importance of having a healthy body and healthy mind. • To raise standards of achievement in PE and sport for all pupils • To promote healthier and more active lifestyles through participation in competitions, sporting festivals, PE lessons and across the whole curriculum

Sports Provision at Black Horse Hill Infant School
<p>All children have the opportunity to access high quality P.E provision during the school day.</p> <p>Our Early Years Foundation Stage (EYFS) places a high emphasis on physical development and children access this area of learning inside but more often in our outdoor learning environment. Children's physical development is monitored carefully and children are supported through exciting challenges as part of continuous provision as well differentiated challenges as part of a P.E. lesson. In KS1 children are taught Fundamental Movement Skills, Games, Gymnastics and Dance during their P.E lessons. Each P.E lesson lasts up to an hour. Our teachers are well trained and all attend training to develop their knowledge and skills.</p> <p>During the Summer Term children at Black Horse Hill Infant School will take part in Sports Day and explore ideas around healthy minds, food and exercise as part of a whole school 'Health Promoting Week'. We look forward to welcoming visiting sports coaches, exploring emotions and feelings as part of our mental health and trying lots of new foods as well as engaging parents and children in making healthy choices. During lunchtime all children from Foundation 2 to Year 2 have the opportunity to be</p>

active using equipment from our 'Craze of the Week' boxes. Children will also have the opportunity to take part in exciting challenges trying new sports such as Archery. At Black Horse Hill Infant School we believe children should have the opportunity to take part in competition not only against their peers, but challenging themselves to achieve their personal best. Our annual Sports Day allows children to challenge themselves whilst competing in teams and of course having lots of fun!

In addition to the sport we offer in curriculum time we also offer a range of Before and After School Sports Clubs. These include Taekwondo, Tennis, Football, Multi-skills, Dance, Cheerleading, Dance around the World, Invasion Games, Cricket, Judo, Gymnastics and Archery. We offer different clubs at different times of the year. Pupil Premium funding pays for children who are eligible for Free-School Meals to attend after school sports clubs.

At Black Horse Hill we also provide a session for all Foundation 2 children which aims at teaching all children to ride their bikes. Children are actively encouraged to ride their bikes and scooters to school as part of a healthy lifestyle. They have access to bike stands on the school premises. Every year we are amazed at how many children are successful at learning to ride without their stabilisers!

How the Sport Grant will be used at Black Horse Hill Infant School (2016-2017)

A projected figure of £6,500 will be spent on a permanent climbing area to be situated in the FS outdoor area. We will be gathering children's ideas of what the play equipment will look like. This area will have a sustainable and lasting impact on the physical health of children at Black Horse Hill Infant School. It will be accessible to all year groups and can be used as part of 'Brain Breaks' for children who respond best to active learning and/or children who are developing hand-eye coordination and core strength.

£960 Following a one day whole school (free) introductory session developing story based games, problem solving, orienteering and team challenges; 'Premier Sport' coaches will deliver a daily 1 hour sports session to support an active play ground during lunch times. They will target sessions to develop themes such as gifted and talented, behaviour, fundamental movement and co-ordination. New sports such as Archery will be introduced to the children.

£400 – Will be used to fund subject leader time. This time will be used to support planning, lesson observations and support, organising activities and monitoring assessment and progress.

£800 To be spent on organising a whole 'Health promoting week' with the focus on how to stay 'Happy and Healthy!' Children will be engaged in a range of activities supporting healthy lifestyles, developing strategies for staying happy and supporting mental and physical health.

Measuring the impact of the PE Sport Grant

Black Horse Hill Infant School will evaluate the impact on each pupil termly as part of their assessment and tracking procedures.

Evaluation will focus on academic gains and how pupils' self-confidence has developed as a consequence of the sporting provision.

We will also regularly seek the views of our pupils, staff and governors to identify any ways we can further improve our provision for sport at Black Horse Hill Infant School.

Our P.E subject leader provides a written report to governors which focuses on the impact of the PE Sport Grant.
